The most popular livelihood chainsaw designed for harvesting, felling, trimming and all commercial and forestry tree cutting applications. The 2-stroke, single-cylinder engine with SWEET 2-MIX technology saves up to 20 % of fuel and reduces emissions by up to 70 % compared to SWEET 2-stroke engines of the same performance class without 2-MIX technology. The electrically heated handles (W) keep your hands warm and dry for a better grip, making your work safer in winter.
